“Pupils engaged really well with the material and it was really interesting to see how well they settled into the practices. Pupils really seemed to value the time to be quiet and still.”

“I was amazed when a boy who was particularly disruptive told me that he'd been doing the ‘Beditation’ exercise and 'it was like a light bulb you know when you turn it off - I just fell asleep'. He'd previously told me he found it really difficult to sleep because his 'mind just goes over and over things'. .”

“Every time I teach .breathe I'm impressed by how much so many of the pupils get from it at such an impressionable - and challenging - time in their lives.”
